Edith Bowman turned 101 this past week! She has reached another milestone. We would like to wish her well and continued health. It is always encouraging for her to receive cards and notes as it really is the only way she can keep in touch with relatives, friends and her church family, and know she is not forgotten. Edith continues to live in Guelph with her daughter and son-in-law. Her health has declined a bit over the last while, but she's keeping strong and in good humour.

“Let us sing of greater things” An Exploration of *Messiah*
Join us this fall for lively learning and conversation about Handel’s masterpiece

Some said it was too sacred to perform in a theatre! Others, that it was too theatrical to perform in a church! Perhaps neither were correct. Handel’s great composition will not be confined to the sacred or the secular, nor will it be barred from either space. Maybe that’s why *Messiah* continues to stir so many souls. Its subject is the Messiah Jesus, though his name is never mentioned nor his words quoted in the text. *Messiah* explores the profound and world reshaping meaning of Jesus, using only words from sacred Scripture. It does so with music that enlivens us, pouring out emotions of sorrow and delight.

Thursday evenings (every 2nd week)
7:00pm to 8:30pm
6 sessions: Sep 28; Oct 12, Oct 26, Nov 9, Nov 23, Dec 7
Elora United Church’s Bissell Room

Questions? Please speak with Greg Smith-Young.

God is continually calling the church to practices of faithful discernment. As part of living out that call, **Elora UC’s Mission Board will be reviewing the congregation’s marriage policy.** The current policy (from 2006) has an understanding of marriage that includes only opposite-gender couples. We will be prayerfully considering whether this should be changed to include same-gendered couples too. If you have thoughts you’d like the Mission Board to consider in its discernment, please send them to the church office, by mail or email, **no later than October 1** (elorabethanyuc@bellnet.ca or 75Geddes Street, Elora ON, N0B 1S0)

Elora UCW will meet this **Thursday September 21st** at **12:00pm** at **Norma Wallace’s home.**

We will shortly be ordering some more **nametags** for folks at Elora United. Anyone needing a nametag please remind or let the office know.

We'll continue gathering monthly on the 3rd Wednesday.

Elora UC: A budgeting and task group update

The Mission and Resources boards have been hard at work exploring ways we can deal with our budget short fall this year. Since our last update in May we have

- Been monitoring our finances monthly and ensuring that our spending is at or below budget
- Supported and received reports from our four task groups: Property, staffing, income and partnerships
- Held a retreat in early July to reflect and think about the suggestions from the four task groups
- Took immediate action on a number of recommendations (details to follow later this fall)
- Under the guidance of our property Task Group, we have started to work with EDGE from the United Church to better understand the opportunities around our building and property
- Will be looking at more specific and actionable recommendations at our September 12 meeting to formalize a tactical plan for a fall that we hope will bring us closer to a break-even point and then focus our efforts in 2018 on larger more strategic conversations.

We are grateful for the support, prayers and encouragement we have received from the congregation. Look for a more robust update in early October.

With many thanks,

The Mission and Resources Board
